I am writing to you in regards to the building of the new Roaring Spring Elementary School!

I am a taxpayer and resident of the Spring Cove School District, living in the RD Duncanville area!

I feel we don't need any more expenses to our already tight budgets. Myself and most of the residents around me are retired or on a limited income!

I feel this new proposed school is mostly wanted for the Roaring Spring area! So let the ones that do want it - let those pay for it!

I feel the people from the East Freedom are not heard when it comes to school decisions!

Why can't East Freedom remain open and downsize the new school? Another question aren't there any available rooms to send the Roaring Spring students to Martinsburg and East Freedom schools?

If the new plans move forward and the R.S. students and East Freedom school are combined from kindergarten to the middle school, and then Martinsburg will be joining them at the middle school and M.E.S. will be the outsiders and I don't think this is treating any of these students with fairness!

The E.F. school is handy for school functions, drop off and pickup for the parents of elementary students!

Please keep our East Freedom school OPEN!!
